我叫艾伟 (AIME PAZOUYO AMADOU ABAKAR), 来自中非共和国, 目前是对外经济贸易大学国际金融与投资专业的一名硕士研究生, 在北京生活了将近三年。在中国的这段时光, 不仅圆了我儿时的梦想, 更让我收获了成长、友谊与归属感, 中国早已成为我的第二故乡。

My name is Aime Pazouyo Amadou Abakar, hailing from the Central African Republic. Currently, I am a master's student majoring in International Finance and Investment at the University of International Business and Economics (UIBE), having lived in Beijing for nearly three years. These years in China have not only fulfilled my childhood dream but also brought me growth, friendship, and a sense of belonging—China has long become my second homeland.

Since childhood, I have been filled with longing for China. Chinese movies featuring Li Lianjie and Jackie Chan were

儿时的我，就对中国充满向往。李连杰、成龙主演的中国电影是我那时的最爱，那些精彩的画面在我心中种下了对这个东方国度的好奇与憧憬的种子。大学毕业后，我有幸进入班吉大学孔子学院学习汉语，在那里，我不仅掌握了中文，更对中国文化有了深入的了解。凭借优异的成绩，我获得了多项证书，还受到了中国驻中非共和国大使馆的表彰。最终，我成功申请到中国政府奖学金，在2023年8月27日抵达中国，开启了这段意义非凡的旅程。

在中国的学习生活充实而精彩。我在中国金融学院攻读国际金融与投资专业的硕士学位。尽管我的英语基础不错，但全新的学习环境仍带来了挑战。不过凭借在孔子学院打下的中文基础，我很快适应了校园生活。第一年，我全力以赴投入学习，顺利通过所有课程并取得了理想的绩

my passion back then, and those wonderful scenes planted a seed of curiosity and admiration for this Eastern country in my heart. After graduating from university in my home country, I was fortunate enough to study Chinese at the Confucius Institute at the University of Bangui. There, I not only mastered the Chinese language but also gained a deep understanding of Chinese culture. As one of the top students, I obtained many certificates and was commended by the Chinese Embassy in the Central African Republic. In my final year of studying English, I successfully passed the application for a Chinese scholarship. Arriving in China on August 27, 2023, I embarked on this extraordinary journey.

My academic life in China has been fulfilling and wonderful. My major is International Finance and Investment, and I am pursuing my master's degree at the School of Banking and Finance. Although I had a good foundation in English, the new learning environment posed challenges at first. However, thanks to the solid Chinese language skills I acquired at the Confucius Institute, I quickly adapted to campus life. In my first year, I devoted myself wholeheartedly to my studies, successfully passing all courses and achieving a good GPA. In my second year, I completed my master's thesis through an internship. 点 (GPA)；第二年，我通过实习圆满完成了硕士论文。除了课堂学习，我最大的热爱便是足球。2023年底，我加入了对外经济贸易大学国际贸易学院足球队，让校际联赛变得更加精彩，我们曾打进四分之一决赛。2024年，我又加入了业余足球联赛 (IFFC) 的朝阳公园巡游者队 (CYPR)，这支队伍由来自马达加斯加、中非共和国、比利时、英格兰、喀麦隆、南非、美国、津巴布韦、安哥拉、南美等多个国家和地区的球员组成，如同一个小型的“联合国”。上赛季我们斩获了乙级联赛亚军。更令人骄傲的是，在对外经济贸易大学足球队的日子里，除了初入时输给北京科技大学 (USTB)，从2024年到2025年，我们赢得了每一场比赛，创造了一整年不败的奇迹。取得这一成功的原因在于，虽然大多数高年级学长已经毕业，但新队员们勤奋地学习并传承了对外经贸大学的足球风格和理念。在球场上，我结识了来自塔吉克斯坦、乌干达、韩国等不同国

learning, my greatest passion is playing football. At the end of 2023, I joined the Football Team of the School of International Trade and Economics of UIBE, adding more excitement to the university's intercollegiate league—we even made it to the quarterfinals, though unfortunately, we were eliminated in the end. But that's what makes football so popular: the challenges on the field and the friendships off it. In 2024, I joined the Chaoyang Park Rangers (CYPR) in the IFFC (International Football Friendship Club) league for workers and students in Beijing. The team consists of players from Madagascar, the Central African Republic, Belgium, England, Cameroon, South Africa, the United States, Zimbabwe, Angola, South America, and other countries and regions, like a small "United Nations." Last season, we finished as runners-up in League 2. What makes me even prouder is that during my time with the UIBE football team, after our initial loss to USTB, we won every single game from 2024 to 2025—an incredible undefeated streak lasting a whole year. The reason behind this success is that most of the senior students had graduated, and the new members diligently learned UIBE's football style and philosophy. My teammates come from Tajikistan, Uganda, Russia, Chad, France, Rwanda, South Korea, Afghanistan, Ghana, Libya, Nigeria, Jordan, Sierra Leone, Liberia, Kazakhstan, and more. On the football field, I have not only made friends with teammates from all over the world but also forged many precious friendships with Chinese friends—these cross-border bonds formed through football

家的队友,也收获了许多中国朋友,这份因足球结下的跨国友谊格外珍贵。

在中国的旅行和探索让我全方位地领略了这个国家的魅力。我游历了河北廊坊、天津滨海新区、山东济南、福建泉州、广州、深圳、重庆、河南郑州、苏州、海南等多个省市,足迹遍布大江南北。在北京,我熟悉每一个区域,打卡了长城、紫禁城、天安门广场、颐和园等著名文化景点,也沉醉于CBD的现代繁华与望京步行道的烟火气息;在重庆,长江的壮阔、熊猫的可爱让我流连忘返,李坝子地铁站展现的高科技基础设施令人惊叹,而街头巷尾都能找到的重庆火锅,更是我的最爱。中国的安全环境让我印象深刻,在这里,即便凌晨一两点、四点甚至六点,都能安心地走在街上,这份安全感让我倍感温暖。旅途中,我还领略了丰富的中国文化,在福建泉州欣赏到精彩绝伦的中国戏曲表演,深深折服于中国文化的

are truly invaluable.

Traveling and exploring in China have allowed me to experience the country's charm in all aspects. During my studies, I have visited many provinces and cities, including Hebei Langfang, Tianjin Binhai New Area, Shandong Jinan, Fujian Quanzhou, Guangzhou, Shenzhen, Chongqing, Zhengzhou, Henan, Suzhou, and Hainan, leaving my footprints across the country. In Beijing, I am familiar with every district and have visited iconic cultural sites such as the Great Wall, the Forbidden City, Tian'anmen Square, the Summer Palace, the CBD, and Wanjing Pedestrian Street. I am also enchanted by the modern prosperity of the CBD and the lively atmosphere of Wanjing Pedestrian Street. In Chongqing, the magnificent Yangtze River, the cute giant pandas, and other beautiful attractions left me reluctant to leave. The Libazi Metro Station, a popular architectural landmark, is a shining example of China's high-tech infrastructure. And Chongqing hot pot, which you can find on almost every street, is my absolute favorite. China's safe environment has left a deep impression on me—I was once worried about returning to campus at 10 pm when I first started welcoming new students, but gradually I realized that in China, you can safely walk on the streets even at 1 am, 4 am, or 6 am. This is the real life in China. During my travels, I have also explored China's rich cultural heritage. In Quanzhou, Fujian Province,

深厚底蕴。我还喜欢绘画、练习太极拳，这些爱好让我更贴近中国的传统生活。

我一直积极参与各类活动，为中非交流贡献自己的力量。2024年中非合作论坛期间，我在三里屯街担任志愿者，为来访的外国人提供北京地图、酒店咨询和游览推荐服务，助力他们探索这座城市。过去两年，我还连续在北京首都国际机场迎接前来培训的新生和政府工作人员，协助他们办理注册手续、入驻校园。此外，我还参加了在福建泉州举办的2025年世界互联网大会数字丝路发展论坛、北京大学世界青年和平大会以及对外经济贸易大学国际文化节等活动，在这些活动中，我向更多人介绍中非文化，也结识了来自世界各地的朋友。

在中国期间，我深刻感受到了中国人的热情友善。走在路上，常常有中国人主动与我合影，亲切地称呼我“外国朋友”，这份温暖让我很快融入这里的生活。我学会了分享爱、享受生活、和平相

I watched an amazing Chinese opera performance, which deeply amazed me with its profound cultural connotations. I also enjoy painting, practicing Taichi, and appreciating Chinese opera—these hobbies have brought me closer to traditional Chinese life.

I have always actively participated in various activities to contribute to China-Africa cultural exchange. During the 2024 Forum on China-Africa Cooperation (FOCAC), I worked as a volunteer on Sanlitun Street, helping foreigners visiting China explore Beijing by providing them with maps, hotel information, and recommendations for top attractions. Over the past two years, I have consistently welcomed new students and government officials arriving for training at Beijing International Airport. I assisted them with registration procedures and escorted them to the campus. Additionally, I have participated in events such as the 2025 World Internet Conference Digital Silk Road Development Forum in Quanzhou, Fujian, the World Youth Peace Conference at Peking University, and the International Culture Day of UIBE. At these events, I introduced Central African culture to more people and made friends from all over the world.

During my time in China, I have deeply felt the warmth and friendliness of the Chinese people. When walking on the streets, many Chinese people are happy to take photos with me and affectionately call me "foreign friend"—this kindness has made it easy for me to integrate into life here. From the Chinese people, I have learned to share love, enjoy

处,也深深敬佩中国人的勤劳奋进和对国家的热爱。中国的快速发展令人瞩目,在教育、科技、经济、基础设施等领域的成就举世公认,“一带一路”倡议更为世界各国共同发展提供了宝贵机遇。

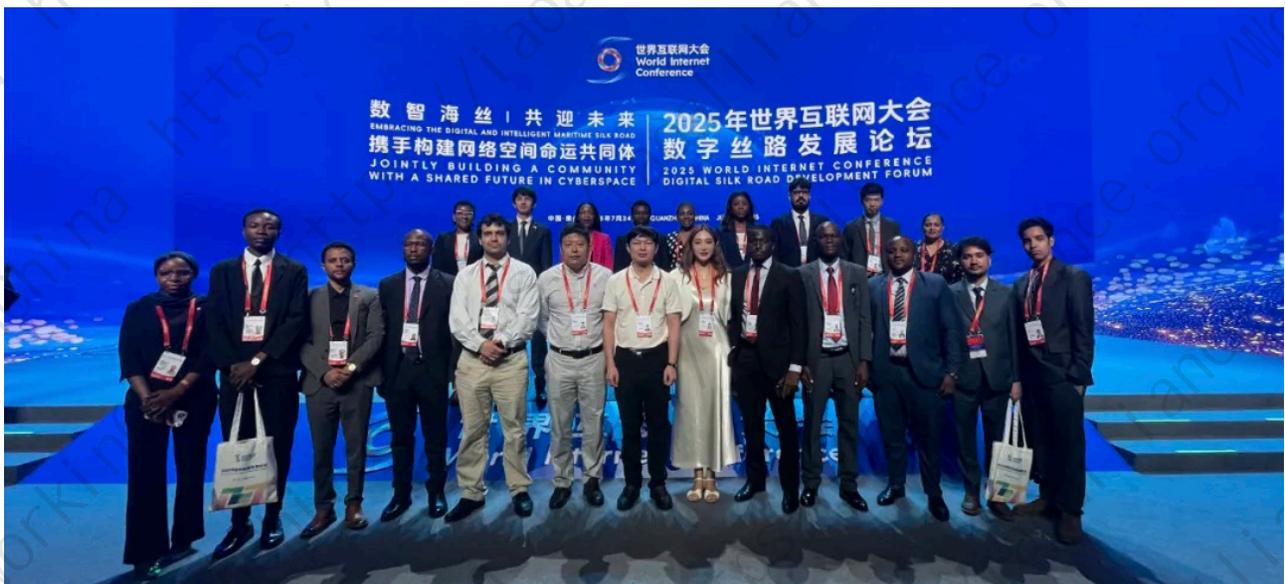

如今,我已能流利使用法语、中文、英语和阿拉伯语,还会一点俄语和西班牙语,正在朝着掌握7种国际语言的目标稳步迈进,母语桑戈语(Sango)将是我精通的最后一门语言。2026年我即将毕业,计划留在中国工作,我已筹备了一个专注于进出口业务的公司项目,希望能为中国与中非共和国的贸易发展搭建桥梁,贡献自己的力量。

在中国的经历,是我人生中最宝贵的财富。这里有安全的环境、勤劳的人民、美丽的风景、先进的科技和美味的食物,更有真挚的友谊和无限的机遇。我将永远珍藏这段岁月,并衷心祝愿中国拥有更加美好的未来,愿中非友谊之树万古长青。

life, and live in peace. I also deeply admire their diligence, perseverance, and profound love for their country. China's rapid development is remarkable, with world-renowned achievements in education, science and technology, economy, and infrastructure. The Belt and Road Initiative has provided valuable opportunities for common development among countries around the world.

Today, I am fluent in French, Chinese, English, and Arabic, and can speak a little Russian and Spanish. I am steadily progressing toward my dream of speaking 7 international languages, with my native language Sango being the last one to master. I will graduate in 2026 and plan to stay and work in China. I already have a company project in the pipeline, which will be launched in the near future and focus on import and export business. This will be an excellent opportunity to contribute to the mutual development and win-win cooperation between China and my home country.

My experience in China is the most precious treasure of my life. This country offers a safe environment, hardworking people, beautiful scenery, advanced technology, and delicious food, along with sincere friendships and boundless opportunities. I will always cherish the memories of these years and sincerely wish China an even brighter future, and may the tree of China-Central Africa friendship thrive forever.
